“We are truly honored to receive this recognition on behalf of our talented team, their supportive families, valued clients, trusted advisors, and our industry network who are responsible for our continued success,” said Dave White, partner. “Pinnacle has experienced significant growth the past few years, and it’s an honor to be included in this group of innovative, forward thinking companies.”

About Pinnacle Healthcare Consulting

Founded in 1998, Denver-based Pinnacle Healthcare Consulting provides leadership and guidance through a broad range of strategic, financial, operational and transactional services for hospitals, health systems, physician groups, law firms and other health care organizations to improve business performance and long-term sustainability. A trusted advisor to hundreds of hospitals and health organizations around the country, Pinnacle specializes in business and compensation valuation services, service line strategy and physician alignment, cost reduction and operations improvement, physician practice management and compensation planning, medical billing, coding and compliance expertise, guidance and support.

About Colorado Companies to Watch

Colorado Companies to Watch honors companies headquartered in Colorado that demonstrate high performance or exhibit innovative products/processes. The 50 companies selected each year make an astounding impact on Colorado's economy by collectively providing thousands of jobs and contributing millions of dollars in revenue. The Colorado Office of Economic Development and International Trade (OEDIT) launched the program in 2009 in conjunction with the Edward Lowe Foundation and valuable community partners from across Colorado.
