**Presenter: Kelly Loya, CPt, CPC-I, CHC, CRMA, Tuesday, April 9, 2019:
Drip Drop - Infusion Auditing Made Simple**

Kelly brings 25 years of administrative, operational and clinical experience in the healthcare field. With over 12 years serving in a consulting role, Kelly has leveraged her past experience in coding/billing, pharmacy, first responder and nursing studies to provide a solid foundation on which to tackle complex issues for clients. Kelly assists clients in identifying strategic solutions by targeting: project parameters to identify risk, opportunities for improved compliance with government payor requirements and operational efficiencies. She performs quality assurance and audit functions for a wide range of providers. Her diverse skills are often utilized in comprehensive assessment projects involving pharmacy billing and operations, durable medical equipment, ambulance services, physician and hospital outpatient charging concepts.

**Presenter: Kelly Nueske, CIA, CMA, CPA, RN, CHC, CRMA, Wednesday, April 10, 2019:
What You Need to Know to Audit and Monitor the Revenue Cycle**

Kelly brings expertise in internal audit, compliance program development, implementation and assessments, billing compliance, investigation/defense support and risk mitigation services. Kelly has over 25 years of healthcare operations experience and has served in various management, compliance and internal audit roles. She is knowledgeable in revenue cycle processes, billing and reimbursement for hospitals, physicians, reference laboratories, retail pharmacy, hospice, homecare, skilled nursing facilities and ambulance. Kelly is a registered nurse(cardiology/neurology) and also held positions as a quality management specialist, utilization management specialist, internal audit director, patient financial services director, and system implementation director.
