

Coding & Compliance Support & Training Resources

Pinnacle Enterprise Risk Consulting Services (“PERCS”) offers revenue cycle solutions for providers, hospitals, health systems, academic medical centers, and health plans. Our medical coding and audit team consists of a diverse variety of healthcare professionals who hold a wide range of certifications. All staff are onshore. Our goal is to leave our clients in a better position for having worked with us.

- **Assist with annual provider reviews (work plan)**
- **Improve operational and financial performance**
- **Backlog support and staff mentoring**
- **Manage coding and compliance risk**

Pinnacle resources are seasoned AAPC and/or AHIMA certified professionals with expertise to support all aspects of revenue cycle, coding and compliance services. Pinnacle offers competitive per chart and hourly pricing.
