➤ Did you know...?

The Physician Payments Sunshine Act (PPSA), also known as section 6002 of the Affordable Care Act (ACA) of 2010, requires medical product manufacturers to disclose to the Centers for Medicare and Medicaid Services (CMS) any payments or other transfers of value made to physicians, non-physician healthcare practitioners (physician assistants, nurse practitioners, clinical nurse specialists, certified registered nurse anesthetists, certified nurse midwives), or teaching hospitals. ➤ Requirements

- Annually report certain financial data to CMS;
